

# Appliance Install Pricing

Effective 7/1/08

Installation Hot Line: (716) 601-0630, Hours: Mon - Fri 8AM - 7PM and Sat 8AM - 3PM

**PLEASE NOTE:** Orville's will not complete any installation that requires alterations to your circuit/fuse box. This may be required for any "NEW" installation because most appliances are required to have their own dedicated circuit.

## Estimates

There is a \$25 Fee for ALL Estimates which take place PRIOR to purchasing your appliance(s). This fee is applicable to the final installation cost.

## All Professional Appliances & New or Custom Installations require an On-Site Estimate
